

Robert MacMillan

An Introduction to Oil Painting - all levels

18th April – 20th June 2024

Thursday 13.00 – 16.00

Through demonstrations and examples I'll show students at all levels how to use oil paint.

We'll work through portraiture, landscape and abstract landscapes experimenting with oil paint and showing students just some of the many techniques and ways of using oil paint, brushes and palette knives as well as talking about colour, tone, texture, surfaces and how I use these things in my own work.

Above are just two examples of Robert's work. For more information about him and to see more of his paintings, click [here](#).
